

URGENT OR EMERGENCY TREATMENT

Contact the **NHS Dental Helpline on 0300 1000 899** for details of other Practices throughout the county who can offer daytime emergency appointments (subject to availability). You do not have to be a patient of these Practices to have emergency treatment there, if they have availability.

Urgent or emergency NHS dental treatment: Monday to Friday outside of normal hours or at weekends or Bank Holidays

There are four Emergency Dental Clinics in West Sussex, which can offer appointments to anyone with a dental emergency. **Appointments MUST be booked by contacting the relevant clinic by telephone before you attend.**
